National Association for Loss & Grief (NSW) Inc

The National Association for Loss & Grief (NSW) Incorporated (NALAG) was founded in 1977 after the Granville train disaster. Our main aim is to build the capacity of individuals, organisations and communities in order to enhance well-being following loss, grief, bereavement and trauma. NALAG (NSW) Inc has been involved with the establishment of many of the loss and grief support groups throughout Australia and has recently developed the Blue Healers Depression Program.

NALAG (NSW) Inc is frequently called upon for training and advice by schools, corporations, government departments, media and individuals.

Our Services

NALAG (NSW) Inc aims to educate and support people who are grieving a loss through:

- Information and educational resources
- Referral service
- Individual grief support
- Group grief support
- Trauma response

(please note that the services listed above are not available through all NALAG Centres/Branches. Some Centre's/Branches have education functions only).

Loss and Grief

Someone who has experienced a loss can feel like being lost in a maze of conflicting emotions.

This is normal following significant loss. Knowing the experience is normal may not take away the pain, but will increase understanding of what is happening. It is important to know you will recover, that it will get better.

Some examples of Significant Losses:

- death of a significant person
- Divorce /separation
- Relationship breakdown
- retrenchment/unemployment/retirement
- loss of health/amputation/organ loss
- loss of homeland/culture/language
- loss of a pet
- loss of possession/burglary/car theft
- disability/loss of independence
- infertility
- miscarriage/pregnancy termination/stillbirth
- adoption
- stolen generation/loss of identity
- losses associated with caring for someone with a chronic or life threatening illness
- loss of dreams/expectations/hopes
